CONDITIONS FOR ADMISSION TO MAGISTER STUDY IN THE STUDY PROGRAM REGIONAL DEVELOPMENT AND POLICIES OF THE EU AT FESRD SUA IN NITRA FOR ACADEMIC YEAR 2026/2027

Pursuant to Section 56, Paragraph 1 of Act No. 131/2002 Coll., as amended, the basic condition for admission to engineering studies is a first-level university education or a second-level university education, while the sum of the number of credits obtained for the previous university studies that led to the acquisition of a university education and the number of credits required for the proper completion of the second-level study program for which the applicant is applying must be at least 300 credits.

OTHER CONDITIONS FOR ADMISSION TO STUDY

1. Applicants for study will be ranked according to the results achieved at the bachelor's level of study and the evaluation of the state examination. Applicants with the highest number of points obtained will be admitted. An applicant for study may obtain a maximum of 80 points, while the condition for admission to the second level of study will be obtaining at least 5 points.
2. For a study program conducted in a combination of English and Slovak languages, applicants shall send a certified copy of an English language certificate (according to CEFR at level B2 or according to IELTS at least 5.5) to the address: Study Department FESRD SUA in Nitra, Tr. A. Hlinku 2, 949 76 Nitra. In the event that the applicant does not prove language competence with a certificate, he or she has the right to request the Dean's Office to allow the demonstration of language competence by personal interview or via SKYPE interview no later than 10 calendar days before the admission procedure.

GENERAL INFORMATION ABOUT THE ADMISSION PROCEDURE

- It is possible to apply for two study programs in one form of study within one admission procedure fee on one application form,
- The faculty admits applicants for study without an entrance exam and without a personal interview, based on the results achieved at the bachelor's level of study,
- Applicants for study shall upload to the UIS a CV, a copy of the diploma, state exam certificates and a supplement to the diploma from the first level of study (except for applicants who have completed a bachelor's degree at FESRD SUA in Nitra),
- a certified copy of the diploma, state exam certificates and a supplement to the diploma from the first level of study (except for applicants who have completed a bachelor's degree at FESRD SUA in Nitra) to the following address:

Study Department FESRD SUA in Nitra
Ing. Patrícia Szabóová
Tr. A. Hlinku 2
949 76 Nitra

- applicants for study programs at the second level of study will be placed on the waiting list based on the points obtained according to the criteria of the admission procedure, while the condition for admission to the II. level of study will be obtaining at least 5 points,
- applicants for study will attach a document on payment of the fee for material support of the admission procedure to the electronic application,
- after the admission procedure, the applicant will receive a decision on the result of the admission procedure within 30 days from the verification of compliance with the conditions for admission to the study. An applicant who does not meet the condition (successfully completed bachelor's degree) at the time of the admissions committee meeting may be conditionally admitted,
- an applicant who will be admitted to a study program is obliged to provide information to the faculty whether he/she will enroll in the study according to the instructions he/she will receive in writing together with the admission decision (e-return is part of the decision),
- the applicant's personal data (name, surname, birth number, address, etc.) will be used in accordance with the Personal Data Protection Act No. 18/2018 Coll. only for the needs of the admissions procedure and may not be provided for other purposes,
- the dean may accept the results of the admissions procedure at other faculties of the University of Applied Sciences in Nitra, or other universities,
- the dean may offer applicants who were not placed on the waiting list for the applied study program the possibility of admission to an alternative program with a lower number of applicants,
- the faculty reserves the right not to open a study program in full-time or part-time form for which a low number of applicants apply. In such a case, the faculty will offer the applicant another accredited study program. If the applicant is not interested in studying in the alternative study program, the application for study with all attachments, as well as the admission fee, will be returned to the applicant.

INFORMATION FOR FOREIGN APPLICANTS

Foreign applicants will create a statement via the link: <https://uznavanie.minedu.sk/recognition-statement/> in the Statement of Recognition of Educational Level section.

Foreign applicants (except for applicants from the Czech Republic and applicants who passed the matriculation examination in Slovak) who apply for a study program provided at SUA in Nitra in the Slovak language must complete an online test and an online oral interview aimed at determining the level of their language proficiency in the Slovak language. Testing is provided by the SUA Language Center in Nitra (<https://cj.uniag.sk/sk/domov/>) on two dates, which applicants will be informed about in advance.

After completing the language exam, the applicant will be issued a certificate of the summary result of the online test and online interview, which will correspond to the language level according to the Common European Framework of Reference for Languages. The test and the certificate are charged €30. If the language proficiency level of the applicant for study is lower than A1, the applicant will not be admitted to the study. If the language proficiency level of the applicant is A1, the applicant has fulfilled one of the conditions for admission to the study, but will be required to complete a 30-hour paid Slovak language course organized by the Language Center of the Slovak University of Applied Sciences in Nitra (course fee: €120). The course will take place from August 24, 2026 to September 4, 2026. After completing the course, the applicant will be issued a certificate of completion. If the language proficiency level of the applicant is A2 or higher, the applicant has fulfilled one of the conditions for admission to the study. Detailed information about the test and the course will be provided on the Language Center website (<https://cj.uniag.sk/sk/domov/>).
